13:10 - 13:20	Hakim Disease/syndrome					
13:20 - 13:30	DESH					
13:30 - 13:40	iNPH					
13:40 - 13:50	Discussion					
13:50 - 14:00	The Treatment Debate: V-P/V-A shunt or L-P shunt for chronic hydrocephalus in adults					
14:00 - 14:10	VP/VA Shunt					
14:10 - 14:20	LP Shunt					
14:20 - 14:30	Discussion					
14:30 - 15:00	Coffee Break					
15:00 - 15:10	The Treatment Debate: VP/VA shunt, LP Shunt, or ETV for pediatric hydrocephalus					
15:10 - 15:20	VP Shunt					
15:20 - 15:30	LP Shunt					
15:30 - 15:35	ETV					
15:35 - 16:15	Discussion, Questions & Answers					

Saturday, 14 September 2024

Plenary Hall		Parallel Hall 1		Parallel Hall 2	
07:00 - 08:00	Registrations				
08:00 - 08:30	Opening of the Meeting				
08:30 - 09:00	Session 1: Hakim Lecture				
09:00 - 10:00	Session 2: Experimental Hydrocephalus Oral Presentations	09:00 - 10:00	Session 3: Physiology of CSF Circulation		
10:00 - 10:30	Coffee Break & Exhibition				
10:30 - 11:40	Session 4: Young Investigators Awards I				
11:40 - 12:40	Hydrocephalus Society Annual General Meeting				
12:40 - 13:50	Industry Sponsored Lunch Seminar				
13:50 - 15:30	Session 5: Modern Hardware and Software in Hydrocephalus	13:50 - 15:30	Session 6: Adult Hydrocephalus Oral Presentations		
15:30 - 16:15	Coffee Break & Exhibition				
16:15 - 17:45	Session 7: Neuroimaging	16:15 - 17:40	Session 8: Congenital and Pediatric Hydrocephalus		

Sunday, 15 September 2024

Plenary Hall		Parallel Hall 1		Parallel Hall 2	
08:00 - 08:40	Industry Sponsored Breakfast Seminar				
08:40 - 09:10	Session 9: Special Session on Smart Devices				
09:10 - 10:30	Session 10: Young Investigators Awards II	09:10 - 10:30	Session 11: Adult Hydrocephalus Oral Presentations		
10:30 - 10:45	Special Session: chatGPT Jeopardy				
10:45 - 11:20	Coffee Break & Exhibition				
11:20 - 12:40	Session 12: Neurofluids	11:35 - 12:40	Session 13: Pediatric Hydrocephalus	11:35 - 12:40	Session 14: Adult Hydrocephalus Oral Presentations
12:40 - 14:00	Industry Sponsored Lunch Seminar				
14:00 - 15:30	Session 15: Movement Disorder Society NPH Study Group Joint Session	13:50 - 15:50	Session 16: Genetics	13:50 - 15:50	Session 17: Experimental Hydrocephalus Oral Presentations
15:50 - 16:20	Coffee Break & Exhibition				
16:20 - 17:30	Session 18: Technical Advances in Treatment and Diagnosis	16:20 - 17:40	Session 19: Intracranial Pressure Oral Presentations	16:20 - 17:30	Session 20: Technical Advances in Treatment and Diagnosis Oral Presentations

Monday, 16 September 2024

Plenary Hall		Parallel Hall 1		Parallel Hall 2	
08:00 - 08:40	Industry Sponsored Breakfast Seminar				
08:40 - 10:00	Session 21: Adult Hydrocephalus Oral Presentations	08:40 - 10:00	Session 22: Hydrocephalus Society - EANS Joint Session: Controversies in Spontaneous Intracranial Hypertension	08:40 - 10:00	Session 23: Adult Hydrocephalus
10:00 - 11:00	Session 24: Pediatric Hydrocephalus	10:00 - 11:00	Session 25: Advances in Geriatric Hydrocephalus	10:00 - 11:00	Session 26: Neuroimaging Oral Presentations
11:00 - 11:30	Coffee Break & Exhibition				
11:30 - 13:00	Session 27: Intracranial Pressure	11:30 - 13:00	Session 28: Experimental Hydrocephalus Oral Presentations	11:30 - 13:00	Session 29: Adult Hydrocephalus Oral Presentations
13:00 - 14:10	Industry Sponsored Lunch Seminar				

14:10 - 15:40	Session 30: Adult Hydrocephalus Oral Presentations		14:10 - 15:40	Session 31: Intracranial Pressure Oral Presentations		14:10 - 15:40	Session 32: Pediatric Hydrocephalus Oral Presentations
15:40 - 16:40	Session 33: Closing of the Hydrocephalus Meeting
